I know. I know. You bought this issue to read the newest Off Panel strip from Gallagher and Manak. After 20+ issues of their comic strips, Mike and Dave are taking an issue off. So instead we have this plain old page, full of lots of words and stuff. Well, Sonic & Knuckles fans... Sonic The Hedgehog #100 is only a dozen issues away. We've already written the plot and are so excited about all the earth-shattering events that we can barely contain it to ourselves. Have any guesses as to what will happen to our Sonic, Knuckles and all the other characters when the big 1-0-0 hits? Yes, you do. In fact, this is what I'd like all of you to do. Send me a letter (via snail mail only) with what you think will happen to your favorites. On the day 100 hits the stands, we will print all the letters that got it right in that issue! Of course we will print others as well just so you can see what your fellow fans are thinking. So what are you waiting for, take out that pen, paper, envelope and stamp (yeah, you remember those old things) and send it to the address below. Please add, "I know what happens in #100!" on the envelope to better find your letter. So that is your Sonic project for the year! Can't wait to read those letters, so hurry!

Catch you on the flip...

COMING
ATTRACTIONS

#90

Next issue: They say that birds of a feather flock together, but Sonic and Mina aren't birds, and neither of them have feathers. So what exactly do they have in common? Besides a bloodthirsty army of Robotnik's ultra-improved Com-Bots out to get them, that is? More than you (or they) would think! But don't take our word for it, see for yourself next month when it all happens right in the pages of SONIC THE HEDGEHOG #90 as chronicled by Karl Bollers, framed by FRY, and ably embellished by Andrew Pepoy!

Note: Due to the overwhelming amount of e-mail and snail mail, it is impossible for us to reply personally to each and every message. However, your opinions are important to us and each message will be read. Also, due to space limitations, some correspondence may be edited.

Thanks for understanding!

Well, gang... it's that time again! Sonic-Gram time!

Dear Sonic,

I recently bought a copy of "SONIC ADVENTURE," and thought it was awesome! Maybe you could do another comic with Sonic versus Chaos. My brother and I love your comics. I don't see how anyone couldn't love them. I just hope your comics continue for a long time.

Chris Fields, Louisville, TN

Another round with Chaos, Chris? We know a certain blue hedgehog who can't stand the thought of a rematch!

Dear Sonic the Hedgehog comics,

I like reading your comics a lot! I have three questions and one comment:

1) I read an old issue and Sonic had a dog. What happened to him? 2) Why are the SONIC UNDERGROUND television show and the comic so different from each other? 3) I think the comic would be better if you got rid of Doctor Robotnik and got a new bad guy!

4) Will you print my letter?!

Travis Clipston, Ormstown, CAN

1) Muttski made an appearance last issue, Travis, and if you read it you already know that he remains under Robotnik's control! 2) SONIC UNDERGROUND takes place in an alternate zone/reality-- grab ahold of SONIC SUPER SPECIAL #10 for the full scoop. 3) Isn't Robotnik bad enough?! 4) Since you asked so nicely...

Dear Sonic-Grams,

I love your comic and Sega Dreamcast's version of SONIC ADVENTURE. That's why I started collecting to start with. I was walking through my convenience store and immediately saw issue #82 because it was an adaptation of my favorite video game. So I sent in for a subscription, and then

SUPER SPECIAL #13. I'm hooked! As for issue #83-- the story, the art, the ending, they all ruled! Also, please bring KNUCKLES back! I would like a subscription to that, too! Keep up the good work!
Eric Rexroat, St. Charles, MO

Hold on tight, Eric! Things in this comic are only starting to heat up! As for the most extreme echidna of them all, tell your friends to drop us a line (like you did) letting us know that you demand more KNUCKLES!

Hiya Sonic,

I think your comics are great! I even have one of your video games!

You're so cool!

Joseph Brown, Lynchburg, VA

Thanks, Joseph! You're pretty cool yourself!

Dear Sonic-Grams,

What's up?! Wal-Mart used to sell your comic, but it doesn't anymore. Luckily, I got them somewhere else, but I missed about twenty issues! Could you bring me up to date? 1) Where did Elias come from? 2) How did King Acorn get revived? 3) Is Robo-Robotnik the one you're showing in the comics now? Sonic is waaaay past cool!!!

Gabriel Vicari (age 10), Floral City, FL

1) Elias had been living on Knuckles' Floating Island for the past ten years. 2) King Max was revived by the talismanic Sword of Acorns back in SONIC SUPER SPECIAL #4. 3) You guessed right, Gabe!

Dear Archie,

I have got to be the biggest Sonic fan ever. Sadly, I have missed issue #75 and #76. I have more than a year's worth (and more) of your comics, and boy, I've got to tell you each one just keeps getting better. By the way, how old is Sonic now? Well, anyway, the main question I'm trying to ask is: May I order 75 and 76?

Brian D. Bain, Chicago, IL

Yes, Brian...you may! Just take a peek at our subscription page located elsewhere in this comic you're reading, and you'll also see our back-issue order form. By the way, Sonic is sixteen years old.

Dear Sonic-Grams,

I agree with Nax, who wrote to you from Oklahoma City, in issue #83. My friends and I think it really stinks that you cancelled the KNUCKLES comic. The first comic book I ever read was KNUCKLES #22. The Dreamcast adaptation was really cool, but when you're done, please try to bring the comic back!

Austin Carnahan, St. Louis, MO

Another request for the return of the KNUCKLES comic...are we detecting a pattern, Austin?

Dear Sonic-Grams,

I just wanted to say that I would like to see Knuckles' comic series back in print. It is my favorite comic book. I read SONIC too, and I think it's great, but 1) What happened to the comedy? 2) Why did the Freedom Fighters go to the Hidden City of the Ancients? 3) What kind of animal is Antoine? Well, that pretty much covers all my questions except...4) did I mention to bring back Knuckles' comic?

Chris Yee

Grosse Ile, MI

1) Before the laughter, there are often tears, Chris... 2) To stop Robotnik from conquering it. 3) Antoine is a coyote. 4) Yes, you did...and we're definitely sensing a distinct pattern here...

Thanks for all the mail, kids! Sorry we couldn't print 'em all. See you in thirty days when we review more of 'em! Until then...

KEEP ON JUICIN'!
